EL SALVADOR 2010 – MEDICAL TEAM DONATIONS

The eleventh hour is fast approaching! We have the workers, but they are not yet fully equipped! Our request for donations to help purchase medical supplies for our mission trip to El Salvador trip has fallen short. We are in desperate need of funds so that the essential medicines can be bought in time for our journey in early March. We urgently require additional monies to finalize these purchases. ANY amount will help and be appreciated! Checks for this contribution should be made to VCC and include the words "El Salvador Medical Supplies" on the memo line. May God bless you as you consider this contribution for His kingdom!
